ABOUT ME

I am a passionate and dedicated frontend developer with a strong foundation in HTML, CSS, JavaScript, and TypeScript. As a fresh developer, I am eager to apply my skills in building intuitive, responsive, and user-friendly web interfaces. I am committed to continuous learning and growth, aiming to enhance my expertise in modern frontend technologies. My goal is to contribute to innovative projects while honing my abilities in delivering high-quality code and exceptional user experiences.

EDUCATION

BS in Development Studies
▶ NED University of Engineering and Technology

EXPERIENCE

- **Portfolio Website**
  - Created a personal portfolio website using HTML and CSS to showcase projects and skills.
